**Update 5-16-17**

(BURMAX letter to parents/students and BURMAX order form follows on next two pages)

To Students and Parents of Cosmetology 2017-2018,

Burmax, a large cosmetology vendor, has been selected to supply the Cosmetology kits for our students this year. This will allow your student to receive a significant discount on the tools and mannequin heads that will be required for a success school year.

These kits will be purchased on-line, directly from the vendor. You can place your order at your convenience. Please note that two (2) shipping dates have been established. This means that your delivery date will depend on two things:

1. When you order.
2. When the established shipping dates are.
3. If you are ordering for Summer School the kit will need to be ordered no later than June 17<sup>th</sup> 2017. All orders after that date will be shipped out and held at the school until class resumes in the fall.

The shipping dates are as follows: 1.) **June 17<sup>th</sup> 2017**      2.) **August 18<sup>th</sup> 2017**

**(Summer school kits will be shipped out earlier as students will need them for summer class.)**

**To order your 2017-2018 first year kit or your second year kit.**

- Go onto our Cascadia Technical Academy website: <http://cascadiatechnicalacademy.org>.
- Open the Cosmetology program. There will be two (2) student letters to choose from.
- Choose the letter that applies to your child and place the order.

The kits ordered will be shipped on one of the scheduled shipping dates. You will receive notice when your student's kit arrives at Cascadia Tech Academy. Please make sure you have an email address and/or current phone number so you can be contacted. The kits will be stored in a secure, locked area until school starts in the fall. The student and the instructor will check the order together so any discrepancies can be noted and taken care of. If any item is missing and/or damaged the Instructor checking the kit in with the student will return the damaged item to the vendor for a replacement and/or order missing items.

It is the expectation that all students have their kits by the time school starts in the fall.

**Here are the instructor's contact information as well for your convenience.**
